

TENTATIVE BIBLIOGRAPHY

Due Monday, January 28

Note- your term paper grade will be reduced by one full grade if your bibliography is late for *any* reason.

Submit three separate lists, each containing the required references *from the library*:

- a list of eight books on your topic.
- a list of eight magazine articles on your topic.
- a list of four Web sites that appear to deal with your topic

You do not need to find or get any of these sources from the library at this time.

Just find references to the existence of these materials and carefully put them in proper bibliographical form.

List your 8 books alphabetically, by their authors' last names. Use proper form:

Last name, First name. *Title*. City: Publisher, year.

List, separately, your 8 magazine articles (periodicals) alphabetically, by their authors' last names. Use proper form:

Last name, First name. "Title of Article." *Name of Magazine*,
Date of magazine, pages of article.

Magazine articles must come from at least four different, widely dispersed years. No more than 3 articles should come from any one year.

List, separately, your 4 Web sites alphabetically, by their authors' last names. Use proper form:

Last Name, First Name. "Page Title." Website Title. Web Address (retrieved Date Accessed).

For all sources, if no author is given list the item alphabetically, according to the first piece of information that does appear, in the appropriate form.

Check your ***BIBLIOGRAPHICAL FORM SHEET*** for further details on proper form for books, magazines and Web sites.
